

CONNECTING WITH GOD

WEEK 3 | CHILDREN

SESSION 2

Here is a little prayer challenge that your group can engage with based off of our second video around 'connecting with God'.

PRAY:

Think now of a time that you can put aside to make sure that prayer is a priority.

Ask God to help you think of someone who you should pray for right now.

Spend the time that you put aside praying for them. You could then send them a text to let them know you are praying and thinking about them.

You don't know how much that might mean to someone!
