

FAITH IN EVERY SEASON

WEEK 4 | CHILDREN

SESSION 3

DO:

- Have a celebration at your home for whoever is around or do it virtually with friends and extended family!
- You could organise a special meal complete with decorations, or stop for cake in the afternoon, play some great music and play some games, blow up some balloons and decorate your living room.
- It might be that it's someone's birthday that you can make a fuss of or maybe you just want to celebrate just because you can!
