

ONLINE RELATIONSHIPS

WEEK 5 | CHILDREN

SESSION 1

Chat through these questions with the people around you.
This could be the people that live in your house or you could
message some friends or people from your church.

CHAT:

What's your favourite thing to do on a screen?

Does your family have screen time limits?

How do they make you feel?

Who's your favourite person?

How much do you know about them?

How can you find out more things about them?

How do you think the 4 friends were good friends to the man
who couldn't walk?

Is there someone you know who needs you to be a good friend?

How can we 'take people to Jesus'?
